

## PPE 1 (MSF BRC, MSF ARC, CMSP MTC)

**Head:** Helmet must meet DOT standards.

**Eyes:** Goggles, glasses, or full-face shield must meet ANSI Z78.1 and be shatter resistant. Eye protection used without a face shield should seal the cup of the eye with a strip of foam.

### **Clothing:**

1. Long sleeve shirt/jacket (must meet wrist when seated and handlebars grasped).
2. Long trousers (no rips or tears)
3. Full-fingered gloves designed for motorcycle riding and made from abrasion-resistant material.

**Feet:** Sturdy, over the ankle shoes or boots that provide support and traction.

## PPE 2 (CMSP IRC & All Level 3 training)

**Head:** Helmet must meet DOT standards.

**Eyes:** Goggles, glasses, or full-face shield must meet ANSI Z78.1 and be shatter resistant. Eye protection used without a face shield should seal the cup of the eye with a strip of foam.

### **Clothing:**

1. Motorcycle riding jacket (must meet wrist when seated and handlebars grasped).
2. Long trousers (no rips or tears)
3. Full-fingered gloves designed for motorcycle riding and made from abrasion-resistant material.

**Feet:** Sturdy, over the ankle shoes or boots that provide support and traction.

## PPE 3 (Dirt & Offroad Training)

**Head:** Helmet must meet or exceed DOT, ECE 22.05, British Standard 6658, or Snell standard M2005.

**Eyes:** Goggles, glasses, or full-face shield must meet ANSI Z78.1 and be shatter resistant. Eye protection used without a face shield should seal the cup of the eye with a strip of foam.

### **Clothing:**

1. Long sleeve shirt/jacket (must meet wrist when seated and handlebars/steering wheel grasped).
2. Long trousers (no rips or tears)
3. Knee/shin guards (Dirt Bike/ ATV only)
4. Full-fingered gloves (Dirt Bike/ ATV require padded gloves)

**Feet:** Off-road boots.
